A BRILLIANT
MASTERPIECE FOR
THE PERFECT LIVING
& INVESTMENT

The grand design of this masterpiece is to promote clarity and elegance with ease of connectivity to each tower and also to the roadways. It is to live in a highly integrated mixed-use development with modern and luxurious structure designed exclusively to boost comfort and well-being.

The residential area of Ciputra International is the perfect home for urban professionals, equipped with various amenities and a higher value of investment as it resides in the same area as the office buildings.

+ EXCLUSIVE PRIVILEGES

LIMITED UNITS

Each residential tower is designed for the capacity of +/- 400 exclusive and luxurious units. The limited space is meant to provide a sense of comfort and perfect living that people dream of.

ZONING CONCEPT

The zoning of each building consists of three zones: LOW Zone for Studio and 1-BR units, MIDDLE Zone for 1-BR and 2-BR Units, and HIGH Zone for 2-BR and 3-BR Units. These zones are designed exclusively to make a perfect stay.

FACILITIES

The beautifully natural surroundings are maximised at Ciputra International. Buildings are equipped with a beautiful Sky Garden, where a view of the city scenery of Jakarta can be enjoyed while getting some fresh air. The splendour of the apartment building is made complete by the addition of a spacious gym and swimming pool.

+ THAN JUST YOUR ORDINARY HOME

Imagine what you can do in the area.

Ciputra International has created a new definition of home. The residence is surrounded by a modern and luxurious environment, within the same superblock as the office and lifestyle area, enabling families to spend time together more often. Every suite is built with meticulous five-star planning and luxurious execution to keep everyone comfortable.

+ THAN HIGH ACCESSIBILITY

Imagine the perfect access.

Life in the fast, growing urban civilisation requires fast and easy access to anywhere. Time is too precious to get stuck in traffic or detours. Ciputra International guarantees its direct access to Outer Ring Road from and towards the Soekarno Hatta International Airport; access to Inner Ring Road from Kebon Jeruk Toll Gate; access to various public and residential areas, also to industrial areas of Serang, Merak and Banten. Meanwhile, in the future, residents will have direct access to TB. Simatupang and Pondok Indah.

+ THAN A PRESTIGIOUS LIFE

Easy of life.

We all deserve a lifestyle of unending joy and happiness. There is an abundance of amenities to spoil oneself as a prestigious life of comforts is created here.
