THE COLLABORATION

*An Exceptional
Collaboration for
a Magnificent Life*

A Joint-Venture Formed by Three Developers

An alliance of three world-class developers that will bring a new standard in quality living

Welcome to ASYA, a home of appreciation developed by a collaboration of three well-established property developers in Indonesia, Hong Kong and the rest of Asia. With years of experience and a proven track record of delivering outstanding new communities, Astra Modern Land prides itself on creating innovative residential communities and township with an emphasis on beautiful lake, lush greeneries, and outstanding facilities within the community.

With dedication to quality and craftsmanship, the company has received top awards for excellence, and partner closely with award winning, world-renowned architects, designers and consultants.

Introducing you to ASYA, the result of a world-class collaboration, one to call home and one that the company is extremely proud of.

Astra is always fully committed to maintain its business sustainability and always passionate to become the pride of Indonesia, therefore Astra entered the property sector to strengthen Astra Group business value chain through establishment of ASTRA Property.

Astra Property started its business in 2013 as a Division of Property of Astra International Tbk, before it separated into its own legal entity and launched as the 7th business pillar in 2016. As of December 2017, ASTRA Property has formed five subsidiaries, associated company and joint controlled entity spanning in property development, management and investment segments.

ASTRA Property will always commit to elevate the standard quality of properties in its every class as contribution to the society enhancement quality of life and this is reflected from its existing projects. As of December 2017, ASTRA Property had created portfolio including International Grade A Office Tower with Green Mark Platinum standard by Building & Construction Authority of Singapore, exclusive & premium high rise apartment, and a vibrant lake township with integrated facilities & property management services which emphasize in the operational & service excellences.

Central Portfolio
Hong Kong, China

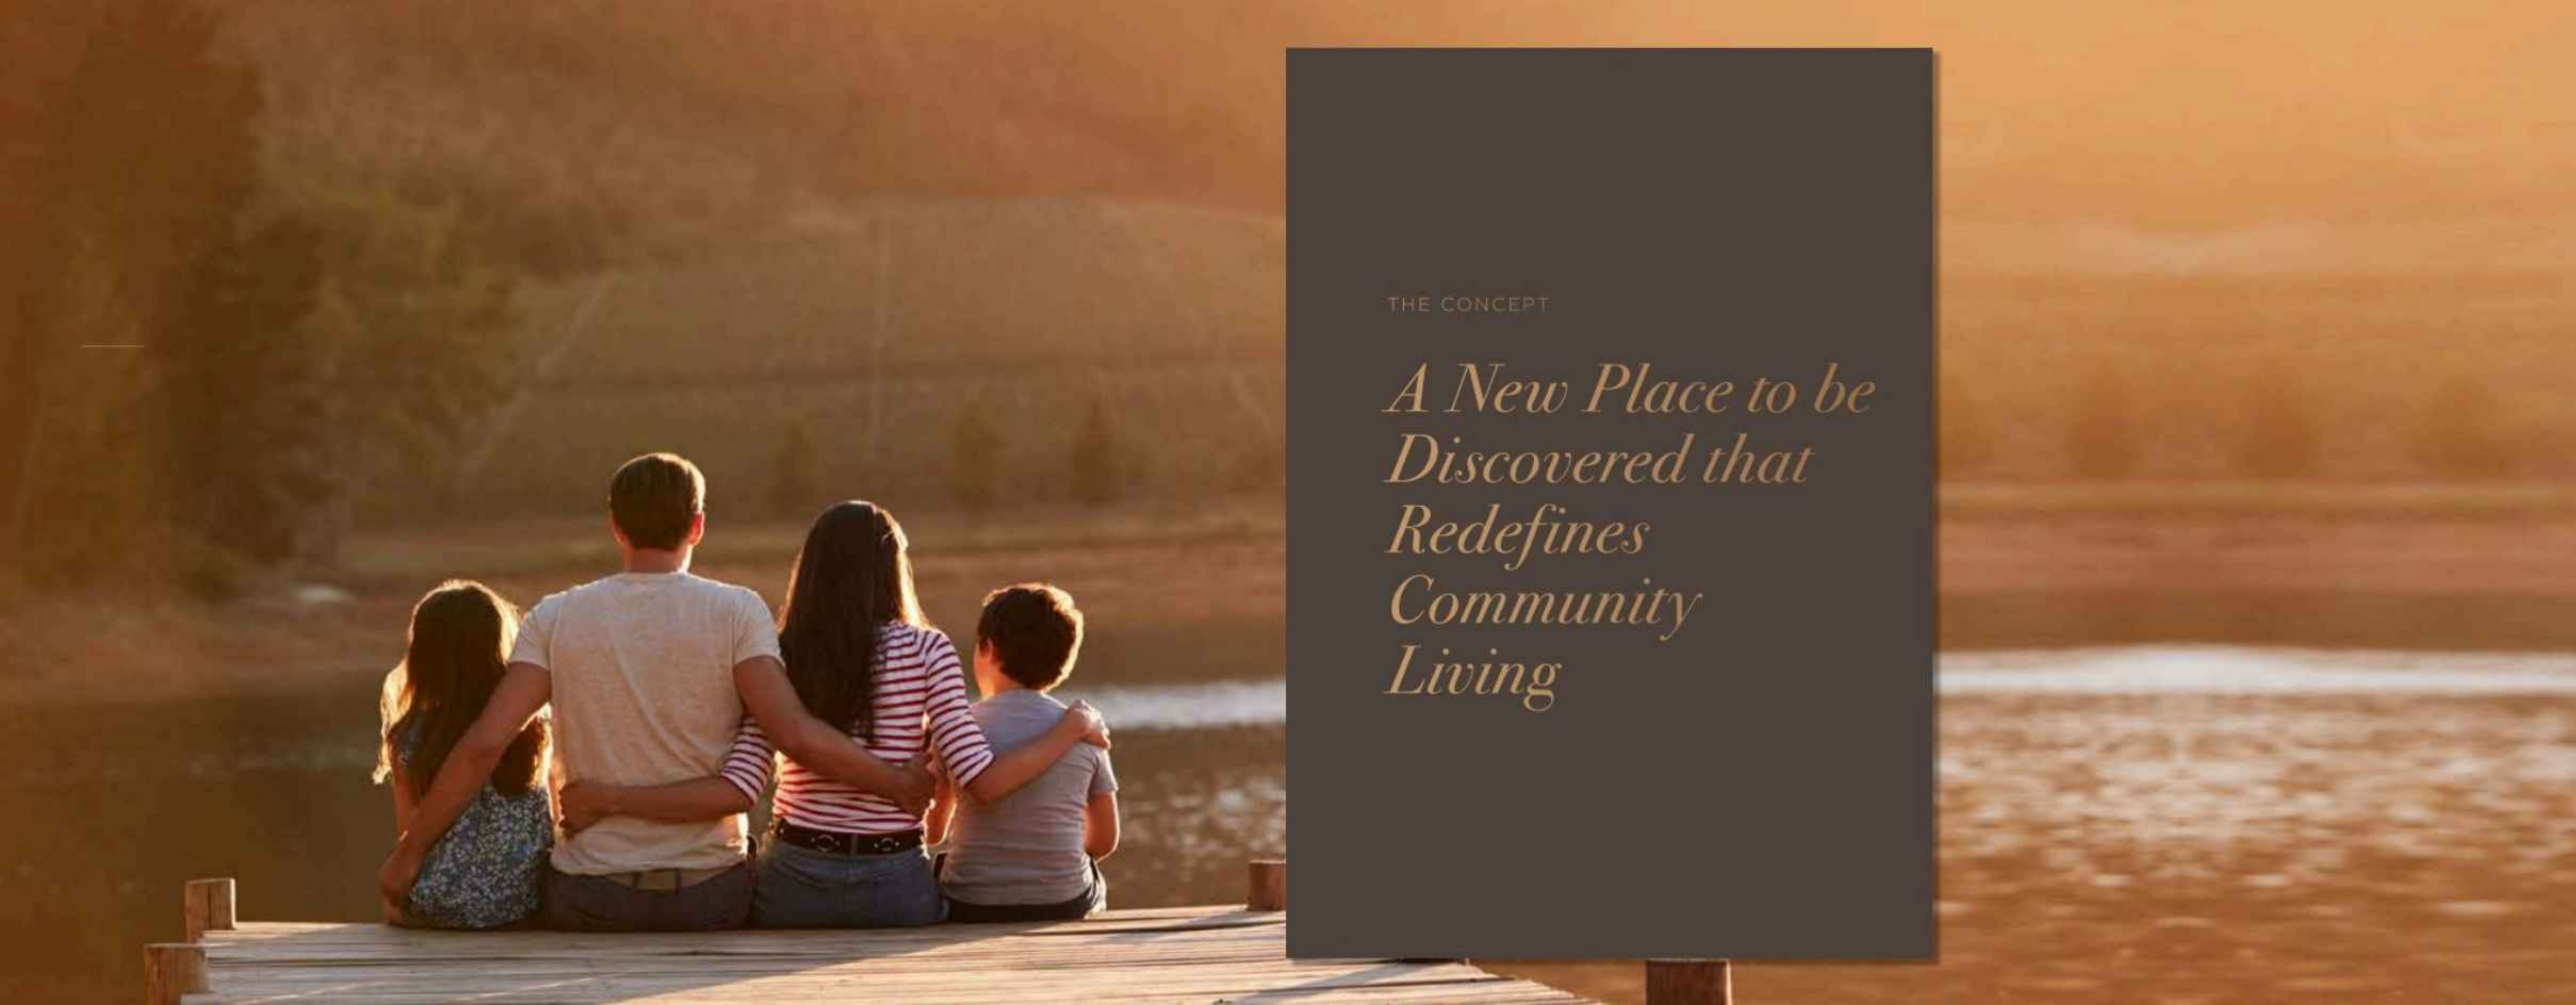

PT Modernland Realty Tbk (Modernland) was established in 1983 under the name of PT Modernland Realty Ltd, engaged in property development of residential housing, industrial areas, warehousing and apartments; management of hotel and office buildings; panel manufacturing industry; golf-course services and management; and investment in properties, facilities and infrastructures.

With more than thirty years of experience, Modernland has established its foothold as a leading property developer in Indonesia with the Modernland brand that is recognized

and attached to various leading residential, township, commercial and industrial estate projects such as Kota Modern, Modernpark, Modernhill, Jakarta Garden City, Modern Industrial Estate, Novotel Gajah Mada, Padang Golf Modern, Low cost Housing and Modern Panel Indonesia. Modernland is committed to pursue its vision in creating ideal urban and industrial developments, and its mission of providing its customers with quality homes and industrial land; and unlocking property values through world-class infrastructures and management.

A family of four is seen from behind, sitting on a wooden pier. They are looking out at a vast ocean under a warm, golden sunset sky. The father is on the left, wearing a white t-shirt, with his arms around the mother and a young girl. The mother is in the center, wearing a red and white striped shirt, with her arms around the father and a young boy. The young girl is on the far left, and the young boy is on the far right. The pier is made of wooden planks and extends into the water. The overall mood is peaceful and contemplative.

THE CONCEPT

*A New Place to be
Discovered that
Redefines
Community
Living*

*Experience
the 70-Hectare
Lakefront Lifestyle
at Your Pleasure*

ASYA offers a vibrant lake township concept with integrated facilities and infrastructures that will bring every residents' dream home to life, thus inspire us to be thankful in every aspect of our life. At ASYA, you can feel like you are appreciated and valued.

Asya Appreciates You

ASYA puts forward comfortability and tranquility for both the resident's body and mind. ASYA is not just a place, but a community living with scenic lake, lush green areas and welcoming homes. We provide a secure and comfortable feeling the moment you set foot into the neighbourhood.

It is your place to unwind and to experience the serenity.

Asya Values Nature

Asya values nature by presenting a scenic lake that acts as an 'oasis' in the heart of East Jakarta and multiple vast green spaces, creating a healthy and exceptional quality of life for the residents. All of these special spaces are further enhanced with paths that connect you to the surrounding ASYA landscapes and amenities.

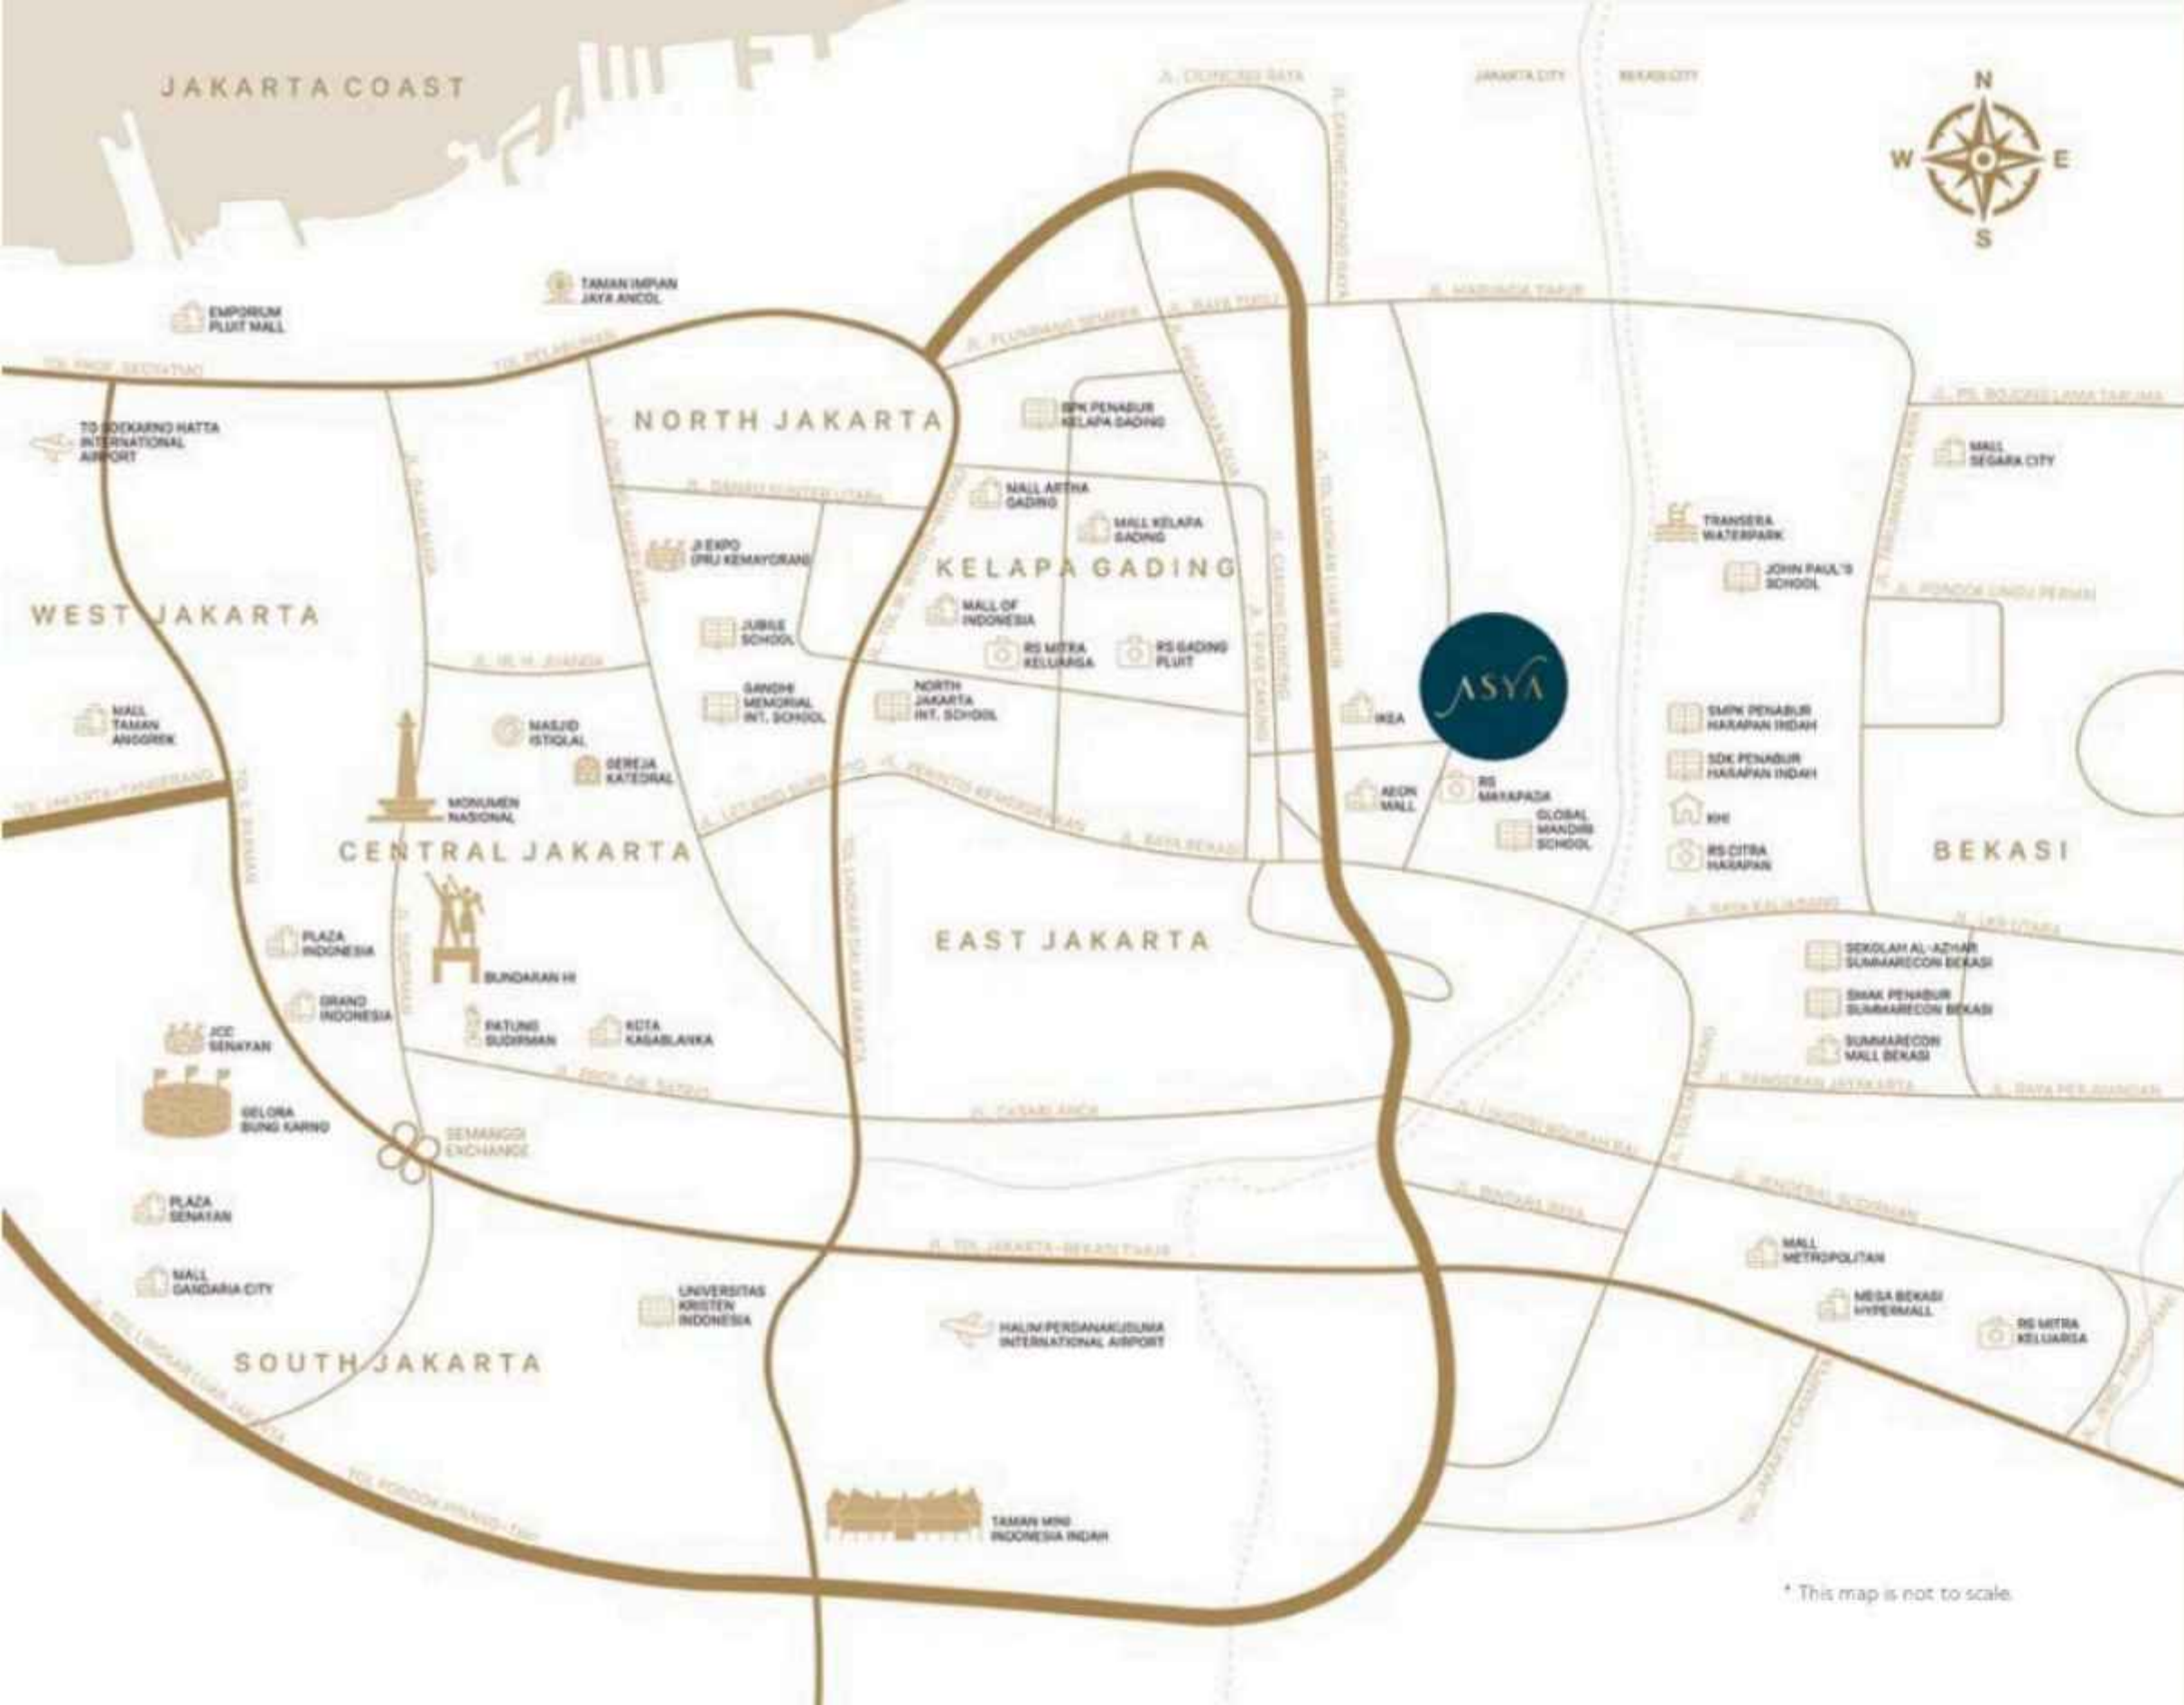

Asya Treasures Your Family

Cleverly designed around a series of parks and greeneries and stunning scenic lake in the centre of it all, ASYA builds a community that emphasises on you and your family's peace of mind and well-being.

The parks will also be the perfect spot for family weekends, with barbecue spots and children's playground to explore. ASYA understands that a healthy body and a healthy mind equal to a happy family.

Indonesia, Interior Design Consultant

Genius Loci partners has over 28 years of experience in the field of interior and architecture designs. One of the earlier project milestones include, was being part of the team that did a design proposal for Kansai Airport in Japan.

The other milestone was the start up of Genius Loci Pte Ltd with Benjamin Joseph Kim's partner, Alex Bayusaputro, who is now the managing partner for Indonesia. In the accomplishment of the varied track record profiles, one of the partners was trained in Germany by the car Manufacturer AUDI (Singapore), for the implementation for its new corporate identity, called the Audi terminal and total driving experience.

Singapore, Landscape Consultant

ECOPLAN Landscape Architects & Planners is a professional firm which provides landscape architectural planning and design services to clients in both the public and private sectors.

As project size and public awareness of the environment grow, more development projects require site planners and landscape architects. We are a group of innovative landscape architects and planners who work very closely with architects, engineers and quantity surveyors forming an interactive consulting team, each contributing to the planning, design and construction of any development project.

Singapore, Architects

P&T Group is one of the largest international architectural and engineering practices in the world with more than 1,900 employees. The P&T Group has offices in Hong Kong, Singapore, China, Vietnam, Taiwan, Indonesia, Malaysia, Thailand, Dubai, Abu Dhabi, Macau and others. Under the present organisational structure, each office is managed by a separate Board of Directors, offering an independent, confidential and personal services.

P&T Consultants Pte Ltd of Singapore is part of the P&T Group. The Singapore office was established as P&T Architects in 1972. The practice has expanded rapidly over the years to meet the growing demand for professional architectural design services in the fast developing city-state and the Asian region.
