GREENWOODS | **52** PROJECTS | **186** PEOPLE | **3.000+** HOMES

Greenwoods Group is celebrating 17th anniversary in 2022. The development company has humble beginnings developing small scale shophouse and townhouse projects in the late 2004 to 2009. Since 2009, Greenwoods started to expand into others sub-sector of the Indonesian real estate industry and opening opportunities to work with partners and investors.

In 2022 the group has since completed 52 projects with 9 projects currently running. Greenwoods Group has grown into an Indonesian residential developer with national scale and international experience with residential developments in Melbourne, Australia.

Greenwoods Group has 186 people in management and headquartered in South Jakarta at South Quarter. With branches office in Bogor, Depok, Tangerang Selatan, Bekasi, Yogyakarta, and Bali.

The award winning real estate developer has 186 people in management team and has delivered more than 3,000 homes.

GREENWOODS HOME x MAE

Greenwoods brand was created for the purpose to enhance the quality of modern living environment in Indonesia. Since 2005 Greenwoods has created 47 clustered projects, 5 commercial complexes, 9 individual homes, a hospital project and a hotel project.

The dream within is the core concept of our brand, which represents Greenwoods' passion to fulfil our community's dream of modern living. Now we have grown into a group of companies and our dream has also grown to become the leading provider of modern living concept in Indonesia.
